# Partner Training & Events

Partner oriented training

Partner Learning Center

Partner Webcasts

E-Learning and Online courses

Partner directed content for success as a Partner

The screenshot displays the Microsoft Partner Program website interface. At the top, it shows the location as "United States (Change Location)" and navigation links for "Help" and "Site Index". The main header features the "Microsoft | Partner Program" logo and a search bar. Below the header, a navigation bar includes "Gold Certified Partner", a personalized welcome message "Welcome, Christopher", and a "View Your Membership" link. A secondary navigation bar contains icons for "Program Membership", "Products and Solutions", "Sales and Marketing", and "Licensing", with "Training and Events" highlighted. The main content area is titled "Training & Events" and includes a sidebar with a "Training and Events" menu containing "U.S. Partner Learning Center", "Worldwide Partner Confer...", and "Webcasts". The main text describes the Microsoft Partner Program's role in preparing partners for success through training and events. Below this, there are three featured sections: "2007 Microsoft Office System Development Workshop" with a photo of participants, "Training Opportunities" listing "Instructor-led Events", "Sales and Business-Value Web Seminars", "E-Learning Courses", and "Online Sales Classes"; and "Event Opportunities" listing "Microsoft Partner Events", "Microsoft Across America", and "Microsoft TS2 Events for Partners".

# Microsoft Partner University

Easy On-Line training

Extensive Course Catalog

Education Tracking

Learn at your own pace

The screenshot shows the Microsoft Partner University website for the United States. The header includes the Microsoft logo and 'Partner Program'. Below the header, there is a navigation menu with 'Partners' selected. The main content area is divided into two columns. The left column contains a sidebar with sections: 'Promotion Information' (My Activity Summary), 'My User Account' (Change My Password, My Company Address), 'Contact Us', and 'Log Out'. The right column features a large image of three people working at a computer. To the right of the image is the heading 'Microsoft Partner University' followed by a welcome message from Christopher Kusek. Below the message is a paragraph of text explaining the importance of partners and the benefits of the training. At the bottom right, there are two call-to-action buttons: 'See new courses (4)' and 'View the course catalog'.

**Microsoft Partner University**

Christopher Kusek welcome to **Microsoft Partner University**.

At Microsoft, we realize how critical our Partners are to our success. The US Microsoft Partner Readiness Team wants to ensure you get the absolute best sales training that's available - when you need it! MPU provides easy-to-use online training on Microsoft products and licensing. The classes are all broken into short modules so you can attend training when you want and learn at your own pace.

# Cisco Partner E-Learning Connection

Detailed maps  
for certification  
tracks

Keeps track of  
your current  
learning

Resources  
available in  
many mediums

The screenshot shows the Cisco Partner E-Learning Connection website. At the top left is the Cisco Systems logo. The main header is "PARTNER E-LEARNING CONNECTION". Below the header is a navigation bar with "Course Offerings", "My PEC", "Learning Maps", and "Help & FAQ". The main content area is personalized for Christopher Kusek, with a "Welcome Christopher Kusek" message and the text "Improving your technical readiness through anytime access to learning." There are three main sections: "Getting Started" with links for "Tips to Get Started", "Full Site Tour", and "My Preferences"; "My Current Learning" with a list of courses including "Cisco Intrusion Detection System (IDS) lab 4.1", "Cisco IDS Intrusion Detection Systems (IDS)", "Wireless LAN - Account Managers - Prescriptive Assessment", "Cisco Certified Internetwork Expert (CCIE) ISP-Dial Certification Laboratory", and "Cisco CCNA Training Kit: Comprehensive Software Training for CCNA Preparation"; and "Specialization" with a link for "Cisco Career Certifications Program". There are also sections for "Lab Central" (All lab practice methods), "Technology Central" (Resources for Cisco Technologies), and "Sales Central" (Resources to enhance your competitive position). On the right side, there is a "Course Offerings" menu with a list of categories: Certification, Specialization, Lab Central, Technology Central, Sales Central, Exam Prep Center..., Live Events..., Support Training..., Learning Solutions Partners, and Reference Materials. At the bottom left, there is a "Featured Cisco Learning Solutions Partners" section with a photo of Christopher Kusek and the text "Tech 2000 KnowledgeNet NIL Data Communications".
